## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### About Our School

Costano Elementary School is proud to be a nationally recognized Turnaround Arts School that utilizes the arts as a vehicle to empower our students to create, to think critically, and to reach their unique individual potential. We believe that through providing a culturally responsive instructional program that values and builds from the diverse and rich perspectives, experiences, and funds of knowledge that our students hold, we support each individual to succeed and thrive both academically and socially.

My name is Viviana Espinosa and I am the proud principal of Costano Elementary School in the city of East Palo Alto. I have served this wonderful community at Costano school for twelve years, including the last six years as the vice principal/principal. I hold a Multiple Subject credential, an Administrative credential, and a Reading Specialist credential as well as two masters degrees in Elementary Education and Educational Leadership. I value and model continued learning as I believe the education field is dynamic and that teaching pedagogies should reflect the students being taught alongside the most current research based student centered instructional practices. I strive to create an inspiring and caring school community that nurtures every child and builds off each individual's strengths. Here at Costano School, I believe that every child is special, that a quality education is a democratic right, and that every child has the right to an educational experience that inspires them, that builds them up, and that provides them with the necessary tools to be successful in life.

## School Facility Conditions and Planned Improvements

This school site is clean and their grass areas are nicely kept. The district is upgrading the locks schoolwide to comply with safety standards. There are plans for other projects to be done before the end of the school year and over the summer. The school will prepare for a merger with another site, doubling the students served. The district will be preparing for the school to use all available rooms on campus.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	26.0%	22.0%	24.0%	18.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	12.0%	16.0%	15.0%	12.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019—20)

At Costano Elementary our parents and guardians are vital to the success of our program and our students. We have an active and engaged parent leadership team that meets on a weekly basis in the parent room. In addition our School Site Council (SSC) and English Language Advisory Committee (ELAC) meet five times a school year to develop our school's plan, co-create our school goals, analyze data, create a safety plan, and align our budget to our agreed upon site priorities.

Our parents also take on leadership roles in planning and supporting our family art nights, school wide performances, and other culturally rich celebrations. On a class level, our parents are encouraged to connect directly with their child's teacher and are welcome to volunteer in many ways including in the classroom, around the school, and in the after school program.

All parents are welcome and encouraged to join our school community as we know we are strongest working in partnership.
